Notification : DB700 End of Support

June 8, 2020

Dear Valued Customer,

We here inform you that we decided to discontinue support to DB700/DB700 series including Parts supply, Machine repair, and Hardware/Software modification.

This discontinuation will be effective from December 18, 2020 step by step depending on item. Please refer following for detail.

Item	EOS effective from
1. Parts supply	Dec. 18, 2020
2. Machine repair which needs parts exchange	Mar. 31, 2021
3. Machine repair of all kinds	Sep. 30, 2021
4. Software modification	Immediate

(Due to limited CPU capacity, it is hard to modify software any more on DB700.)

Remark 1 : For parts already discontinued, we will supply alternative ones. Please let us consult for detail and delivery L/T. (Some parts need more than 3 months.)

Remark 2 : For machining parts, we may have chance to provide even after above mentioned period. Please consult with us for detail.

We highly appreciate your support on our DB700/DB700 over many years, and expect continuous support on our Die-Bonder.

Sincerely yours,

Sales Dept.
